buildmadison

a community create-a-thon

the event

Calling all creative, talented and enthusiastic Madisonians! Come together to unleash and show off our community's potential by cooperatively creating real products in less than 24 hours. Connect with people to make your idea a reality or utilize your skill set and experience to help bring other exciting ideas to life- all while meeting cool people and generally having a blast. Plus, there's prize money and packages for teams with the most impressive results.
